Serial No	<b>08 / 477 704</b>
Filed	June 7 1995
Group Art Unit	3747
Examiner	<b>N Kamen</b>
Title	RECIPROCATING ELEMENTS AND ASSOCIATED FLUID FLOWS

Dear Ms Hood:

Following our conversation yesterday, and in accordance with the recommendations of the USPTO Publications Office, I am enclosing amended drawing sheets number 33 and 34 in the above application. The sheets are identified as "4th Replacement Sheets"

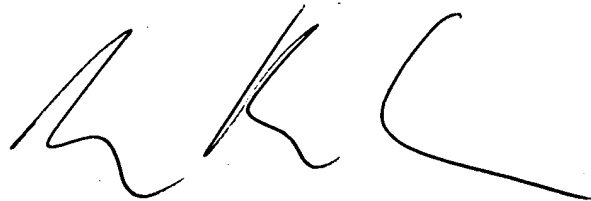

On sheet 33, "Fig.138" has been changed to 'Fig. 138A', and "Fig. 139" to 'Fig. 139A'.

On sheet 34, "Fig.138" has been changed to 'Fig. 138B', and "Fig. 139" to 'Fig. 139B'.

The text is to remain entirely un-changed. Hopefully these amendments will put the case in order for issue.

If any additional fees should be due, please debit my patent office deposit account number **501 334**.

Regards,

Mitja Victor Hinderks.

Sole inventor, applicant and power-of-attorney of record.
